

GENETICALLY ENGINEERED FOOD ALERT

Center for Food Safety • Friends of the Earth • Institute for Agriculture and Trade Policy • National Environmental Trust
Organic Consumers Association • Pesticide Action Network North America • The State PIRGs

Campaign statement

Genetically engineered food ingredients or crops should not be allowed on the market unless:

- 1) Independent safety testing demonstrates they have no harmful effects on human health or the environment,
- 2) They are labeled to ensure the consumer's right-to-know, and
- 3) The biotechnology corporations that manufacture them are held responsible for any harm
